EXPERIENCE

Cardinal of Minnesota DSP

2020 - Present
Red Wing, MN

Supported vulnerable adults in all aspects of their lives such as grooming, medication administration, job searches, and leisure activities.

Key Accomplishments:

- Worked on goal-oriented programs to improve the lives of those supported.
- Coordinated with a team to determine the best course of action to take towards improving services and solving problems.
- Repeatedly praised by coworkers and supervisors and asked to take on a supervisor position based on care provided and attention to detail.

The Mentor Network DSP

2014-2019
Red Wing, MN

Supported elderly vulnerable adults with their personal care needs, medication administration, dietary needs, and interpersonal interactions in a more medical oriented and fast-paced environment.

Key Accomplishments:

- Was trained by house RN to transcribe medications into the med books for other DSP's to then administer.
- Worked with up to 6 clients simultaneously at any given time, fulfilling all their needs on a daily basis.
